

JYVÄSKYLÄN YLIOPISTO
UNIVERSITY OF JYVÄSKYLÄ

Carbon Footprints in Finnish Universities

Sami El Geneidy

Doctoral Researcher - Corporate Environmental Management
School of Resource Wisdom and School of Business and Economics

JYU. WISDOM Since 2018.

Sustainability for JYU:

The Carbon and Biodiversity Footprint of the University of Jyväskylä

Sustainability for JYU:
**Jyväskylän yliopiston
ilmasto- ja luontohaitat**

University of Jyväskylä Carbon Footprint

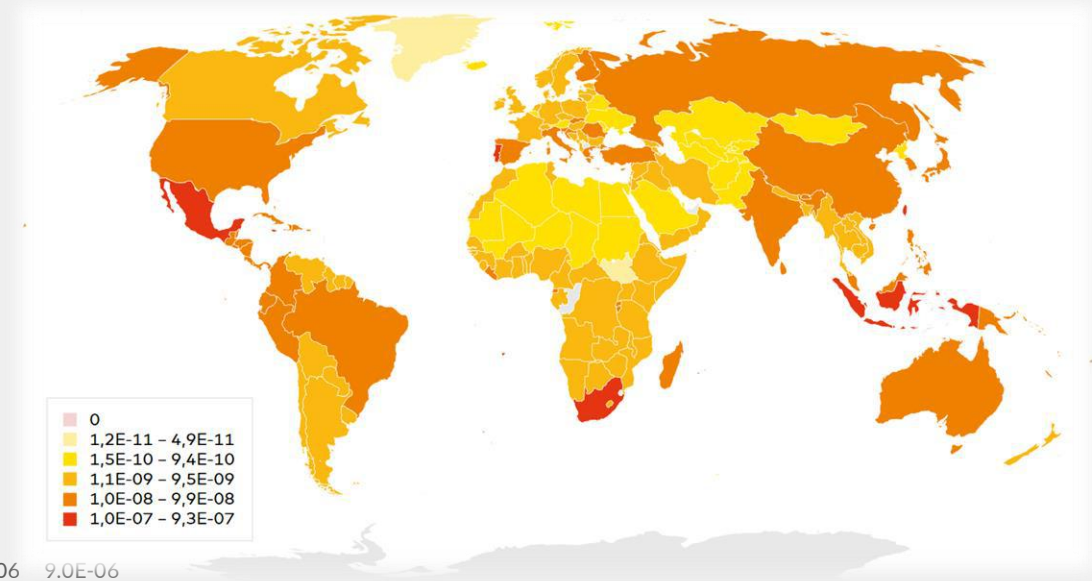

University of Jyväskylä Biodiversity Footprint (procurement)

Financial accounts

Biodiversity footprint

The redder the bigger biodiversity footprint

Carbon Footprints in Finnish Universities - towards a joint reporting model?

Carbon footprint survey of Finnish universities

- Sent to all Finnish universities (38), response rate 82 % (31)
- Over 20 questions about carbon footprint accounting, reduction policies and offsetting

Has your university implemented or is it currently implementing carbon footprint accounting?

What is the target year for carbon neutrality?

Carbon footprint survey of Finnish universities

Has your university set emission reduction targets?

Does your university offset or is it intending to offset its carbon footprint either fully or partially?

Carbon footprint survey of Finnish universities

Which categories would you exclude from the offsetting responsibility of a university?

All categories belong to the offsetting responsibility

The way forward

Challenges

- Results into action
- Reductions vs. Offsets
- Footprints vs. Handprints

Recommendations

- Climate + Biodiversity
- Sharing is caring
- Transparency

**Kiitos!
Tack!
Takk!
